Informed Consent and Financial Policy I hereby request and consent to the performance of acupuncture or other modalities within the scope of practice of Oriental Medicine on me by Saja Lynn, L.Ac., who is licensed in Arizona to practice acupuncture. I understand that there are some risks to treatment, including but not limited to some bruising and/or slight bleeding, some pain at the site of the needle insertion, dizziness or fainting, or possible aggravation of existing symptoms. The risk infection is very slight, as all needles used are sterilized, single-use, and disposable. I have had the opportunity to discuss with Saja Lynn, L.Ac., the nature and purpose of acupuncture. I understand that results are not guaranteed. I do not expect Saja Lynn, L.Ac., to be able to anticipate and explain all outcomes and risks. I understand that I may stop treatments at any time. I understand that the evaluation given to me is an assessment based on the theories of East Asian Medicine. I understand that Saja Lynn, L.Ac., is not providing Western medical care, and that I should look to my primary care practitioner for those services. Payment is expected at the time of treatment. The cost of an acupuncture treatment is payable on a sliding scale of \$15.00-\$35.00, plus a one-time fee of \$10.00 due at the first visit. Unless canceled at least 4 hours in advance, our policy is to charge \$10.00 for missed appointments. I have read the above consent and financial policy. I have had the opportunity to ask questions, and by signing I agree to the above-named procedures. I intend this consent to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
